G. E. DESBARATS, PRINTER AND PUBLISHER.

*Entered according to Act of Parliament of Canada, in the  
year One Thousand Eight Hundred and Seventy-  
Four, by J. Barnwall Jackson, in the office of the  
Minister of Agriculture.*

RESPECTFULLY INSCRIBED

TO THE

HON. L. LETELLIER DE ST. JUST,

MINISTER OF AGRICULTURE,

OF THE

DOMINION OF CANADA,

By his Faithful Servant,

J. BARNWALL JACKSON.

## P R E F A C E.

---

The compilation of "THE LUMBERMAN'S TIMBER MARK GUIDE" has been undertaken for the purpose of supplying, in a concise and portable form, a ready means of ascertaining at a glance the various and now very numerous Marks adopted by the different firms for the marking of their timber and lumber, and registered under authority of "The Act Respecting the Marking of Timber (1870)."

Such a guide is almost indispensable to those engaged, directly or indirectly, in lumbering operations, as without a correct book of reference much trouble and loss must be sustained from ignorance of the Registered Marks by which the timber and lumber can be identified, besides incurring the risk of infringing on those already adopted and registered.

Lumberers will therefore, find it to their advantage to procure a copy of the GUIDE, as the information it contains may save them annually large sums of money. It will also be found very valuable at the different offices, sorting-booms, and in the hands of Crown Lands Agents, cullers, &c., &c.

The information contained in this work has been carefully prepared from OFFICIAL RECORDS, at a considerable cost of time and labour, and will, it is believed, be found thoroughly reliable. The principal aim of the author is to supply a want greatly felt and to produce a hand-book which will enable Lumber Merchants to protect themselves effectually; an object which was sought by the passing in 1870, of "The Act respecting the Marking of Timber."

The Book contains: 1st. The fac-simile of Timber Marks by order of registration; 2nd. A figurative and characteristic Index of the same marks in alphabetical order; 3rd. An alphabetical index of names of proprietors. By way of appendix the Act relating to the subject is also added; together with a few forms which will be found of use.

(Attention is also called to the annexed circular issued in July last.)

DEPARTMENT OF AGRICULTURE,  
OTTAWA. March 1874.

[Circular.]

THE

## LUMBERMAN'S TIMBER MARK GUIDE.

COMPILED FROM OFFICIAL RECORDS.

*(By permission of the Minister of Agriculture.)*

At the request of several persons largely interested in the Lumbering Trade, I have undertaken to supply the Lumber Merchants and their staff with a book rendered necessary by the requirements of "The Timber Mark Act of 1870."

"THE LUMBERMAN'S TIMBER MARK GUIDE" will be issued in the shape and size of a commodious and well-bound volume, containing drawings of all Timber Marks registered to date, with name of owners, the whole accompanied with an index, and other necessary information.

I need not dwell at any length on the necessity for the Lumber Merchants to be acquainted with the various and now very numerous Marks adopted by the different firms for the marking of their timber and lumber. Whether it becomes necessary for a firm to adopt a new Mark, or else to pick out their own timber from among lots belonging to several proprietors, it is evident that, unless the registered Marks are known, very great difficulties may be encountered for the want of a suitable book of reference. To obviate such difficulties the present book is intended.

## VIII

If sufficiently encouraged in this appeal to Timber Manufacturers, it is the intention of the author to keep up the information, by publishing from time to time the Timber Marks registered since the date of publication of this volume.

As may be well imagined by reflecting on the nature of the work, "THE LUMBERMAN'S TIMBER MARK GUIDE" has necessarily entailed on the compiler a great deal of care and labor. Moreover, the publication of the book is of a costly nature, the pages being not mere current text, but, in fact, carefully executed drawings, which had to be engraved. The author has therefore placed a great deal of confidence in the hitherto never-failing encouragement accorded by the Lumbering community to any undertaking calculated to be of service in the pursuit of their most important trade.

The work is procurable from the undersigned at Ottawa, or will be sent to any address, free of postage, on receipt of \$10.00.

In communicating with the author, intending subscribers are requested to have their name, residence, post-office address *distinctly written*, in order that delivery of the work may be ensured.

Respectfully soliciting the patronage of every lumberer,

The author subscribes himself,

Their obedient servant,

J. B. JACKSON.

**Minister of Agriculture to register marks and grant certificates on certain conditions. Certificates to be evidence.**

2. The Minister of Agriculture shall cause to be kept in his office a book to be denominated the "Timber Mark Register," in which any person engaged in the business of Lumbering as aforesaid, may have his Timber Mark registered by depositing with the Minister a drawing or impression and description in duplicate of such Timber Mark, together with a declaration that the same was not in use to his knowledge by any other person than himself at the time of his adoption thereof; and the Minister, on receipt of the fee hereinafter provided, shall cause the said Timber Mark to be examined, to ascertain whether it resembles any other Mark already registered; and if he finds that such Mark is not identical with or does not so closely resemble as to be confounded with any other Timber Mark already registered, he shall register the same, and shall return to the proprietor thereof one copy of the drawing and description, with a certificate signed by the Minister or his Deputy, to the effect that the said Mark has been duly registered in accordance with the provisions of this Act; and there shall be further stated in such certificate the day, month and year of the entry thereof, in the proper Register; and every such certificate shall be received in all Courts of Law or of Equity in Canada, as evidence of the facts therein alleged, without proof of the signature.

## NOTICE.

The correspondence with the Department is carried, through the Canadian Mail, free of postage.

The forwarding of any paper should always be accompanied by a letter, and a separate letter should be written in relation to each distinct subject.

It is particularly recommended that reference should be made to the law, before writing on any subject to the Department, in order to avoid unnecessary explanations and useless loss of time and labor; and it is also recommended, in every case, *to have the papers and drawings prepared by a competent person*, for the interest both of the applicant and of the public service.

A sufficient margin should be left on every paper, and specially on specifications and assignments for the insertion of references, or certificates and for the affixing of the seal thereto.

It must be remembered that the better papers are executed, the sooner the work is dispatched at the office, and the surer the regularity of the proceedings is guaranteed.
